President's Report

What a great start to the year! With a nearly packed house, renewing members and about a half dozen new faces paid their \$77 (\$72 annual membership and \$5 for a new key) to start our finances off on the right track. In other money issues, tournaments are now \$5 for members, \$10 for a family or second-time guest. Water is a \$1 for those who take a bottle. The need for members to pitch in on work parties before tournaments and 3-D shoots grows, so don't be surprised if we ask for another, hefty dues increase to pay people to do the work. Our fees are still absurdly low for everything, compared to other clubs.

For the February shoot, both the old lock and the new will be in place, in case you haven't renewed yet. After this shoot, it'll just be the new one. Please turn in your old one when you get your new one; we're trying to recycle them and it'll save the club money.

Another money-saver will be the fact that our newsletter will be emailed, except to those who still want the expensive paper version. Our website may change, but at the least, it will become timely. In it, the newsletter, the tournament scores, announcements, and photos will hopefully change every month.

The family pot is no more. Instead, the 50-50 raffle will continue, and all profits will simply go to the club. We look forward to financial challenges from bale replacement to coping with whatever destruction Mother Nature imposes on our road, so we need to be prepared.

Last but certainly not least, huge **thank yous** go out to Dieter Veas and Keith Yang for stepping into the demanding positions of treasurer and secretary/membership chair! We still have openings for Classification Chair and Entertainment Chair. The latter, if nothing else, brings the coffee pot each time. Those who bring edibles to share will be reimbursed.

Other small changes were mentioned at the meeting. The more hands that help the club function, the easier and better it will be for everyone. Thanks for you support!

Keep shootin' sp@ts!

Therefore, any topic brought up at a meeting requiring discussion and vote shall be first posted in the newsletter to announce to all members.

Target Captain's report: February Shoot is a Hunter Round. Please sign in for shoots by 0900, so all the officers present can shoot as well.
